

# Welcome Back Badgers!

## Parent Information Meeting

You're invited to an information evening to welcome everyone back and go over some of the processes and routines for a safe and enjoyable return to school.

**JK – Grade 3 Families are invited August 26<sup>th</sup> at 6:00 PM**

**Grade 4 – 6 Families are invited August 27<sup>th</sup> at 6:00 PM**

We will meet outside behind the school giving us lots of room to socially distance on the hillside. Although we are meeting outside, we strongly encourage you wear a mask. Bring your own lawn chair or blanket! If you have children that overlap both meetings, you only need to attend one meeting.

We will have a brief presentation and then stick around to answer any individual questions you may have.

### Can't wait to see you all!
