

# Planning *for* School Relaunch

**Hub@Home Learning** will be available to provide online instruction for students who register

**Mental Health Supports** available for students and staff learning at home, or in school

**Learning Opportunities** will be modified, where possible, to ensure appropriate physical distancing can be maintained

**Additional Cleaning** performed, classroom decluttered and area rugs or other soft furnishings removed

**Masks** for staff and students in Grades 4-12 may also be worn within the classroom when physical distancing is not possible

**Shared Personal Items** such as school supplies, writing instruments, and food will not be permitted

**Handwashing Routines** will be established for all students and staff

**Assigned Seating** and cohorting will be established for all students

**Workspaces and desks** will be arranged to allow for maximum physical distancing

**Extracurricular Activities** will not occur following Government of Alberta recommendations and guidelines
